Iowa Still Ranks High in National Standings

Good job girls, you're doing great! As of this writing, Iowa ranks 7th in the top 15 states for new members. Our Aerie brothers aren't doing too badly either because they rank 11th place in the top 15. Congratulations to them, as well.

As for our bets, we're a little behind our Missouri sisters. At

present, they are ahead of us by 216 members. But, on the other hand, we are 292 ahead of our sisters in Kansas and 196 ahead of our Nebraska sisters. And, as for our bet with our Iowa brothers, we are just a tad behind them by 6 percent. So girls, we're not doing too badly, but we need to get in gear to get ahead of the guys and

Missouri as well as stay ahead of Kansas and Nebraska.

Something that helped us, though, with our totals was the re-institution of Spencer (Clay County) Auxiliary with 88 charter members. Welcome aboard to all of our new sisters in Spencer.

According to the list I have, there are 13 who have signed three or four members to date. There are 11 sisters who will now receive the Unit Citation Award for signing five members. Kudos to Jackie Heinle, Barbara Lynch,

Sharon Kleppe, Patti Selk, Brenda Henninger, Cheryl Neyens, Jackie Rodrigues, Lisa Miller, Sandy Fox, Darlene Langrehr and Marcy Knauss. In fact Marcy is just one member away from also receiving the Silver Star. And Mary Ann Cutting of Ft Dodge will receive the Unit Citation Award and the Silver Star for 14 members. Everyone keep up the good work and always remember Quality over Quantity!

With Christmas just around the corner, a gift idea for those family and friends who aren't already members might be a year's membership in the Ladies Auxiliary. Be "People Helping People" and give a gift that will last a lifetime because once they get in and get involved, they'll be hooked. They'll be happy they received it and you'll be happy you got them acquainted with the greatest organizations there is.

Speaking of the holidays, Merry Christmas to everyone and the best to everyone in 2009. See you next year.

The Heart Connection

Want to thank Red Oak and Oskaloosa for hosting great state charity events. Besides the great, fun we raised some very good money for the state charity. A little girl in Oskaloosa lost her hair because of her cancer treatments, she felt bad and asked the school if she could wear a cap, the school approved this. What is really great, the Oskaloosa Eagles bought identical caps for all the kids in her class, with the approval of the school, so she would not feel different. A "FEEL GOOD" for Oskaloosa!!!

We will be in Atlantic Dec. 6th and Hawarden Dec. 13th for state charity events. If any one can possibly make either or both of these it would be great. After that it is a break for the Holidays.

You know Christmas is suppose to be a time of giving and peace and spreading good will. What it is, is the rest of the world doing what Eagles do all year long. I guess that makes them all "Eagle Wannabes"!!

Everyone have a great Holiday Season,

Take a minute to thank your Aerie and Auxiliary officers, it is not easy being them.

LOVE YOU ALL

John, Rochelle, Nellie and Joe

Would you be willing to take a bribe?

I am the WCR Chairman for the Lew Reed Spinal Cord Injury Research charity for the Auxiliaries. A while ago I sent a letter to all of the auxiliaries introducing myself and asking you to let me know

what you are doing for this charity. Like the other chairmen, I also have to make quarterly reports to the National Director. And I'm not above offering bribes. So for every auxiliary that contacts

me with details of what you have planned for the charity or how your plans went, I will make sure to have a nice piece of bling at the end of the year. You can reach me by telephone at 515-770-4675 or by email at dphrog@mchsi.com. One bribe per auxiliary, but please apply early and often.

EAGLE RIDERS...

Hello everyone and happy holidays. The Eagle Riders might not be getting much riding in but we still have a lot going on around the state so check us out at www.foe-eagleriders.com. This year, here in Iowa we have went from 2 Eagle Rider Groups to 6 and there has been talk from many other Clubs about looking into the groups after the New Year. The Mid Winter Board Meeting in Newton will be our Next Eagle Riders State meeting and we have some ideas to talk about for the New Year. Let's all have a great holiday season and I will see you in January.

Ahoy, Mates

Boy does time go by fast when you are having fun and that is what we have been doing since last month!

October 18th found us in Daventryport for the annual chili cook-off. It was a hard job judging the winners. First place was awarded to Willie Verploegh and second place to Pat Roe. They in turn returned their winnings to the state charity. That was a gesture of "People Helping People" and was SO appreciated. It was very heart warming to have a family from Illinois visit and take part. They told of their experiences when the daughters attended "Heart Connection" camp for the first time.

The following week-end we at-

tended Eastern Zone in Clinton. It was very good to visit with old friends and to chat with PGMP Carol Inge. The food and hospitality was just great. On the trip home, we were reminded that we live in Iowa, ran into snow!

November 1st, we traveled to Red Oak for their state charity and a celebration of 1,313 years of birthdays and anniversaries! What a celebration they had! We met Popeye's brothers from Tama, aka State Chairperson Nellie Morehead and her daughters! (JoJo & Sabrina) Red Oak did a good job raising money for the

Ritual Anyone

At this time I want to remind all Auxiliaries, if you don't have a Ritual team, please make every effort to get one started. We need to keep our organization special because of our beautiful Ritual.

In hope of promoting more interest in Ritual competition at our State Convention, and you are willing to participate by being on a team composed of Eagle Sisters from throughout the State, please let me know what station or stations you are interested in. The Ritual Committee at Western Zone will compile teams who have shown an interest in competing.

This gives everyone a chance to compete even though you aren't on a team in your own auxiliary. We don't want to let our Ritual down so let's strive to have lots of competition in June. Keep this in mind-- you have only failed if you have failed to try.

Deere John . . .

Joyce and I would like to wish everyone a Merry Christmas and hope you all have a great holiday.

Well it is December and the year is already half down. We have had a great year so far and I know it will continue. Membership has been great, we have signed up over 900 members so far and would like to thank Spencer for the great job leading the way followed by Burlington. I would like to thank our membership team of Steve Langton, Steve Zimmerman and Miles Dixon for the job they

have been doing. Our state charity has been doing great also, since last month we have been to the Chili cook-off in Davenport, great assortment of chili's and to Red Oak and Os-kaloosa. We would like to also thank Joe and Nellie for the great job they are doing. It takes alot of dedication to be traveling each week-end and selling shirts, pins and doing raffles for our State Charity. The Heart Connection Childrens Cancer Program, the kids suffering from cancer thank each and every one of you that have purchased items, bought chances and bid

on items at our auctions. Without you, some of these children would not have the opportunity to go to camp. We would also like to thank Mark, Tiffany and their staff at the Heart Connection for

attending some of our state charity nights and bringing families with them, this way we are able to hear it from the children and families themselves what they are going through and what these camps and outings really mean to the children.

Joyce and also had the opportunity to stop in Shenandoah and Glenwood while we where in the southwest part of the state and would like to thank them for their

hospitality.

In closing I would like to remind all that we are People Helping People and Yes, we can make a difference in someone's life by having fund raisers for our different charities. Without these fund raisers we would not have the money to fund our grants. Also please remember to schedule something for our new Diabetes Research Center in Iowa City.

Plow them up for 'Deere John'

Hello Brothers:

Great news!!! Our bet with the Auxiliary is to have a higher percent of quota.

With 795 members so far this year we are currently at 67% of our annual quota of 1188. The Auxiliary is right on our heels with 61% of their annual quota. Even though we are 68 members ahead of last year, we can't slow down now!

Don't forget, December 1st is the deadline to be completely converted to the MMS system. Once you are completely converted over, you will realize how easy it is to use and how much time it will save your Secretary in doing their job correctly.

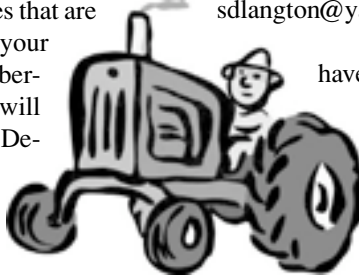

A BIG THANK YOU goes out to all but 2 Aeries, in getting your members turned in on time last month. I was disappointed to hear that both of the two Aeries having "Goose Eggs" last month had applications sitting on their desks and claimed to be "TOO BUSY" to spend less than 10 minutes on the MMS system to get them submitted. Remember, you can get onto the MMS system from ANY computer it does not have to be

the one you have at your Aerie home.

For those Secretaries that are still hand writing your Grand Aerie Membership Report, they will not be taken after December 1st. After that Date they will ONLY be accepted through the MMS system.

Please, feel free to contact me with any ideas or activities that you have so that we can help each other.

To All Auxiliary Secretaries

As you all know GMP Pat Durham will be making her official visitation to Iowa sometime this year. We do not know when she will be visiting yet but we want to give her a big IOWA WELCOME when she comes. If your Auxiliary would like to be included in the gift that MSP Rochelle will be presenting to Pat at her official visit please send your donation to me and mark your check as "GMP visit". Please let's have 100% participation so we can show this great lady our Iowa hospitality. Your checks can be sent to the address below. If you have any questions, feel free to contact me at 319-364-2117 (Evenings) or 319-350-3966 (Cell).

HELLO, MATES!!

Well, Fall Zones are over, and I heard some good reports while there. (Keep up the good work!). We had some fun (marching) while reporting to our "Tour of Duty" stations. It's always fun standing up in front with the guys and reprimanding them- Hee,Haw. Fun -is what we like to have, but....work is also important, with the holidays upon us, let's keep trying to get our sisters back on board. Why not sign them up or re-enroll them, as a christmas gift. A perfect gift, money well spent,

plus they could join all the fun, meet new people, have good food. And best of all, the gift of "people helping people". Try hard, we don't want Admiral Rochelle, falling overboard! Everyone have a safe and wonderful Christmas!! God Bless America! Remembering "Pearl Harbor Day "December 7th, 1941. Get your pea-coats out and stay warm,"10-4 " mates over and out.

Le Mars Aerie President Wilbur Petersen, presents a check for \$9,349.00 to Jim George, of the Le Mars Area Dialysis board, for their dialysis center project. It will take around \$1.2 million to get it up and running. The money was raised by having a hamburger and hot dog feed along with a pancake breakfast.
