Anamosa Aerie #4512 Sponsors Weatherization Day

Anamosa Aerie #4512 recently sponsored a community-wide weatherization Day for low-income families and people with disabilities. Walmart also donated a \$1000.00 community grant towards this project also. Pictured above are Michael Duehr, Rick Meeks and Don Herman.

Happy 100th Birthday Tillie

Tillie Reuter is Dubuque's oldest Auxiliary member and she will be 100 years young on February 1, 2009. We will be celebrating her birthday at the Dubuque Eagles starting at 11:30 am. If you are unable to attend, and would like to send a card, you may send them to 1175 Century Dr. Dubuque, IA 52002. Any questions, you may call 563-588-1680 or Lisa Miller at 563-542-2915.

Only a few months left to reach our goal

Well ladies, in looking at the calendar, we only have a few months left in this fraternal year to meet MSP Rochelle's quota. We also need to get in gear if we want to win our bets with our MINK Sisters and Iowa Brothers. Currently, we are at 81 percent of our quota, but the men are beating us because they are at 95 percent of their quota. Come on girls, we need to get going and start signing up some new sisters to join us on the USS Eagledom. We're still ahead of our Kansas and Nebraska sisters, but trailing Missouri by 259.

I know times are tight for everyone at present and that may be one reason why it's somewhat difficult to sign new members or even to get some of our former members to re-join us. But make sure you point out the benefits of being an Eagle. This organization has so much going for it and there seems to be something for everyone. So when you come across a former sister, make sure you stress the positive reasons as

to why she should get back in the auxiliary. And remember those same reasons when talking to a prospective new member. Tell them about our partnership with the University of Iowa and the new Diabetes Research Center. Explain all the good we do for the many other charities we work for, too. Also, point out the fun things your Auxiliary and Aerie does such as bowling, dart and pool tournaments. And, for those who might be interested in motorcycles and poker runs, make sure you tell them about the Eagle Riders. There are some who might also have an interest in ritual and drill, so don't forget those events.

Come on girls, the membership team is counting on you to help us reach Rochelle's goal of 813. Currently we're at 572. We just need to work a little harder these last few months in order to make it. Sisters, we have a mission to complete on the USS Eagledom and I know we can do it. But, whether we win or not, you're all a bunch to be proud of, so keep

up the good work. Iowa is still 10th in the nation and we jumped ahead of our Iowa brothers just a smidge, as they now rank 12th in the nation.

When we go to Western Zone in March, we have a number of sisters who will be receiving special honors for having signed five or more members this year. To date those sisters are: Mary

Ann Cutting, 16; Marcy Knauss, 12; Sandra Fox, 12; Darlene Langrehr, 9; Marilyn Mintun, 8; Lisa Miller, 7; Jackie Heinle, 7; Patti Selk, 6; Jackie Rodriguez, 6; Barb Garson, 5; Brenda Henninger, 5; Barb Lynch, 5; Cheryl Neyens, 5; Barb Jensen, 5; Donna Verploegh, 5; Sharon Kleppe, 5; Velva Brerton, 5; Kathy Davis, 5; and Marlene Bruch, 5. There are several others that aren't too far behind, so by March we might even have a few more to recognize. Until next time.

Captain Haisiak

Ahoy, Mates

Ah... February, the month of hearts and flowers, does that mean spring is around the corner?

The membership report from the Grand Aerie has Iowa State Auxiliary listed as #10, that is good but, there are auxiliaries with that dreaded goose egg behind their name, that is bad.

The State board has just had its annual meeting and the state convention was discussed. I hope everyone is making plans to attend.

It was brought to our attention that several auxiliaries are having "round tables"; No business can be transposed at these round tables.

February we will be visiting these Aerie/Auxiliaries: 7th Manchester; 13th Fairfield, 14th Albia, 20th Burlington, 21st Ottumwa, 22nd Iowa City and 28th Clinton. I hope to see some of my sisters/brothers at one of these functions.

The state charity is doing well and everything that everyone does

is very much appreciated. Remember all our charities with the month of February being designated as Heart Fund month.

Thank you to all the auxiliaries that sent in the quilt blocks. Every one is beautiful! The auxiliaries and districts that still have not mailed them, please do so. I am so looking forward to the finished product.

Grand Madam President Pat Durham will be making her visitations to Iowa next month. The all-state team will be in Fort Dodge March 26th.

An evening meal will be at 6 PM with all-state to follow. Motels available are listed in this newsletter.

Until next month - Stay warm; Sign a member, and God Bless!! Admiral - Rochelle McKay, SMP

Deere John . . .

We 11 our year is over half over and winter has really set in. Either it is snowing and blowing or colder than ^%^&*&!!!! Joyce and I had a great Christmas and time to spend with our families and grandchildren. We are entering the busiest time of the year with travel to our state charity nights. I ask that those of you with state charity nights coming up please let us know the times as we are working with the Heart Connection to have some of their people and families attend some state charity events. Right now they will have representatives in Cedar Rapids, Iowa City, Manchester, Burlington, Ottumwa, Creston and Des Moines. If possible, please attend one of these nights and meet some of the children that are fighting cancer. Let us not forget our other charities along with our national charity, the new Diabetes Research

Center in Iowa City. Make sure you have appointed to each of these charities and schedule fund raisers. Every charity we support needs your help to raise money so we can continue the research necessary to find cures. Our membership has been doing great, I want to thank everyone

who has signed up a member and want to remind those who have been having goose eggs, there is no excuse. With the new membership programs and our new Diabetes Research Center

as sales tools, there should never be a goose egg.

Our Ship is Sluggish

Ahoy, Mates! “Our Ship is sailing a bit sluggish, due to it being “awful” cold, and so is our Re-enrollment. It’s time to break thru that ice jam and get our jobs done. I know you just feel like hibernating, but the Chief says the ship must sail. I had to miss the State board meeting in Newton, hope things went well, and everyone had a safe trip back home. “Hail to the New Chief” Obama,

it will be tough work ahead for the U.S. Maybe the ground hog will be good to us this year and spring will come early. And Cupid finds a way into your heart on the 14th, to help sign up those re-enrollees. Another great gift idea, instead of a box of chocolates. Ha-ha! Anyway keep trying,
Over and Out!

EAGLE RIDERS...

Hello Riders!

We had our first meeting of the year and it sounds like there has been alot going on in the Eagle Riders community here in Iowa. The meeting in Newton was very informative. It is hard to believe that one year ago we had 2 groups in Iowa with about 85 members. Now a year later we have 7 groups and about 400 members state wide, WOW. At the meeting we discussed that Burlington will host the State Rally during the State Convention this year. We also discussed a ride to bring attention to the new Diabetes Center in Iowa City. We heard from the Centerville Riders who

have been raising donations for the Precious Angels Fund. When I heard this it really made alot of people think of how they can help. I'm looking into having another meeting a little later this spring so that we can plan some rides that will benefit us all. It may be cold now but it will warm up soon and we can all get back on the road. If you have any questions contact me by phone at 319-331-6911 or at walkupden@yahoo.com.

From the Chief Petty Officer

Happy 2009! Hope everyone had a fun filled holiday season! Sorry I missed the January issue, with all the holiday stuff and Shawn and my first Christmas together as married couple, I simply didn't get an article finished.

The delinquency reports are still coming in nicely. I'm seeing a lot of good things from month to month. Cleaning the barracks must not sound like much fun because many of the auxiliaries are working hard at getting their delinquency down to zero.

We are now in the last half of our year, let's keep our delinquency in ship shape, and leave the scrubbing to the men!
